<http://ihworld.adobeconnect.com/genz/>

1. Start Adobe Connect

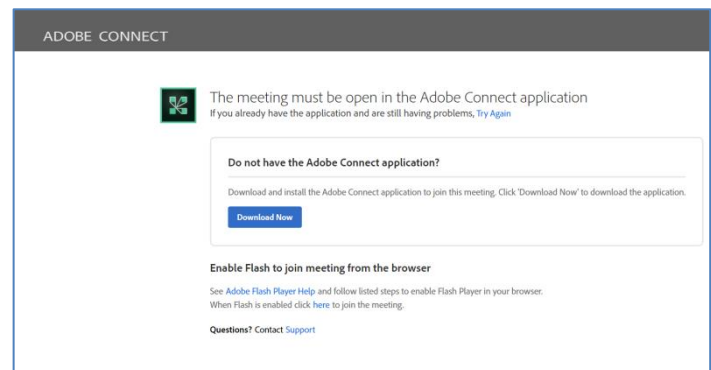

Click the room link above and you should see the screen opposite. (Or you might first be asked to download some software – see below).

Check the box 'Enter as a guest' and type your name in the box, followed by your school. For example: **Martha, IH Unity Wharf**

2. Download Adobe if necessary

You may be asked to install some software if your pc doesn't already have everything necessary to load the meeting room – click "Download Now" and follow the instructions. This may take a few minutes, so try to enter the room in plenty of time.

3. Watch and Enjoy

Watch and enjoy! Your speaker and microphone won't be connected, so if you have any questions type in the chat box on the right hand side.
